

**ONE STOP SHOP** Fenwick is the unsung hero of London department stores and its selection of accessories on the ground floor takes some beating. Customers will find everything they need for summer in one shop, with a mix of lesser-known designers and major labels featuring fabulous costume and semi-precious jewellery, possibly the best selection of hats in London and masses of belts too.

**WALK TALL** Joey and Louise Jackson's Notting Hill boutique sells an eclectic mix of luxury accessories. Each pair in their retro shoe collection is finished with The Jacksons' trademark fuchsia soles. Rope sole sandals are perfect for summer, wedge heels are comfortable and won't sink into the grass at garden parties and this season's platforms with neutral leather uppers will cleverly go with all shades of clothing.
